Dorothy and Robert DeBolt Scholarship

This scholarship will be awarded to a youth who has been adopted after being in foster care (a dependent of the juvenile court) in California. The applicant must be a resident of California at the time of application and must have been accepted for admission to or be enrolled in an accredited two-year college, four-year university or trade/vocational school in the United States. Complete scholarship guidelines and application begin on the next page.

Before submitting your financial information along with the application, you and your family may want to find out about the College Cost Reduction and Access Act (HR 2669), which includes the Fostering Adoption to Further Student Achievement Act amendment signed into law on September 27, 2007 by President Bush. The Act serves to promote adoption of foster children by giving them full access to college grants and loans regardless of their adoptive parents' income.

Under this law, youth adopted after their 13th birthday will not have to include their parents' income in the calculations for determining their need for financial aid. Eligibility for financial aid will be determined solely by the student's ability to pay.

If you were adopted after the age of 13, when you complete the FAFSA:

1. Answer **YES** to this question: **When the student was age 13 or older, was the student in foster care or a dependent or ward of the court?** (You will see text after this question clarifying which students should answer "Yes," including if the student is or was in foster care when he/she was age 13 or older, even if the student is no longer in foster care as of today.)
2. Answer **NO** to this question: **Do you want to include the student's parents' information?** (The law gives you the right to be considered an independent student and not include your parents' income.)

STUDENT AID REPORT

As part of your application for the Dorothy and Robert DeBolt Scholarship, you will need to submit a **Student Aid Report (SAR)**, which you will receive after completing the *FAFSA (Free Application for Federal Student Aid)*. You can submit the *FAFSA* starting January 1. *FAFSAs* are available from your local high school or any college Financial Aid Office. The fastest, easiest, and most convenient way to file a *FAFSA* is to apply on line at www.FAFSA.ed.gov. A summary of the steps are as follows:

1. Collect your financial information:

You will need the following information to complete your *FAFSA*:

- Your 2009 federal income tax return, and your parents' 2009 federal income tax return, if you are considered a dependent (see note on cover page regarding *Fostering Adoption to Further Student Achievement Act* amendment)
- Your Social Security number
- Your parents' Social Security numbers, if you are dependent
- Current bank statements and investment records
- Untaxed income records for 2009 (Social Security benefits, welfare benefits, including Temporary Assistance for Needy Families (TANF) or General Assistance, or veterans benefits)
- Your PIN number and a parent's PIN number, if you are dependent
- Your Alien Registration Number, if you are not a U.S. citizen

2. Get a PIN number (personal identification number)

If you don't already have a PIN number, apply for one now at www.pin.ed.gov. You will need a PIN to electronically sign your *FAFSA*. If you are a dependent student, your parents should also apply for a PIN so that they can electronically sign your *FAFSA*. If you provide an e-mail address, you may receive a PIN number within 3 days. Otherwise, you will receive your PIN number by regular mail within 7 to 10 days.

You may request a duplicate PIN number or change your PIN number on line at www.pin.ed.gov. Your PIN number may be used to access, complete, and submit your 2010-11 *FAFSA* electronically. You can also use it to correct any errors that you made while filling out your application and to print a copy of your *Student Aid Report Information Acknowledgment* after your application has been processed.

3. Complete the *FAFSA on the Web Worksheet*.

The *FAFSA on the Web Worksheet* is available on the web at www.FAFSA.ed.gov. You may also obtain it from your high school or from the Financial Aid Office. By completing

this worksheet ahead of time, you will have all of your information ready when you are ready to file your *FAFSA*. Use the documents you have collected (tax returns or W-2 forms, asset information, bank statements, records of untaxed income, etc.) to assist you in completing the form.

4. Complete the *FAFSA*.

Follow the on-screen instructions to fill out the *FAFSA*. Once you have completed your application, review your answers carefully and make any corrections if necessary before submitting it. **Be sure to sign your *FAFSA*!** You can sign electronically with your PIN number, print out a paper signature page to sign and mail in, or wait for a signature page to arrive in the mail if you do not have a printer. Using a PIN number to sign electronically is the fastest, and will avoid delays in processing your financial aid application.

Do NOT wait to file until after a tax return has been filed. It's easier to complete your *FAFSA* if you have already filed your federal tax return, but if you haven't, it's more important to use estimates from last year's tax return and update them later rather than miss a deadline.

5. Review your Student Aid Report and make any necessary corrections

Approximately three weeks after filing your *FAFSA*, you will receive a blue *Student Aid Report* summarizing the information reported on your application. If you filed online and provided an e-mail address, you will receive your *SAR* via e-mail.

6. SUBMIT YOUR STUDENT AID REPORT ALONG WITH YOUR DOROTHY AND ROBERT DEBOLT SCHOLARSHIP APPLICATION.

Be sure that you are sending the *SAR* that you have received which summarizes the financial information on your application.

FOSTER CARE and ADOPTION Status Verification

Please note that long-term foster care and legal guardianship do not qualify. Applicants must have been **ADOPTED from the CALIFORNIA FOSTER CARE SYSTEM (after having been a dependent of the juvenile court)**. There are two ways to provide verification of this status:

1. Ask your adoptive parents for copies of your
 - **foster care placement agreement**
 - AND*
 - **adoption decree signed by a judge** and file-marked by the county clerk of the county in which the adoption finalized.

Attach the above two documents to your application.

- OR -

2. If the above documents are not available, a social worker from the county, state or private agency that handled the foster care and adoption must provide a brief signed letter on official letterhead verifying your legal **ADOPTION** from **FOSTER CARE** in California. The applicant will need to request this verification directly from the appropriate agency; you may want to provide this form to such agency. **Please note that if you need to contact a social worker for verification, it would be best to do so as soon as possible, as the agency or department may not respond quickly.**

The social worker's letter should include dates of **foster placement AND adoption finalization**. The envelope for this letter should be sealed and the social worker's name written across the outside flap in a manner that indicates the envelope cannot be opened without damaging the signature, and postmarked by June 11.

Helpful information to provide to social worker:

Applicant's name: _____ Date of Birth: _____

Birth Name: _____

Name/s of Adoptive Parent/s: _____
